OLED TV

MirrorVue is the first mirror TV with OLED. This state-of-the-art display makes any TV screen look old. You can finally experience the best color accuracy, incredible brightness and contrast, and true blacks.

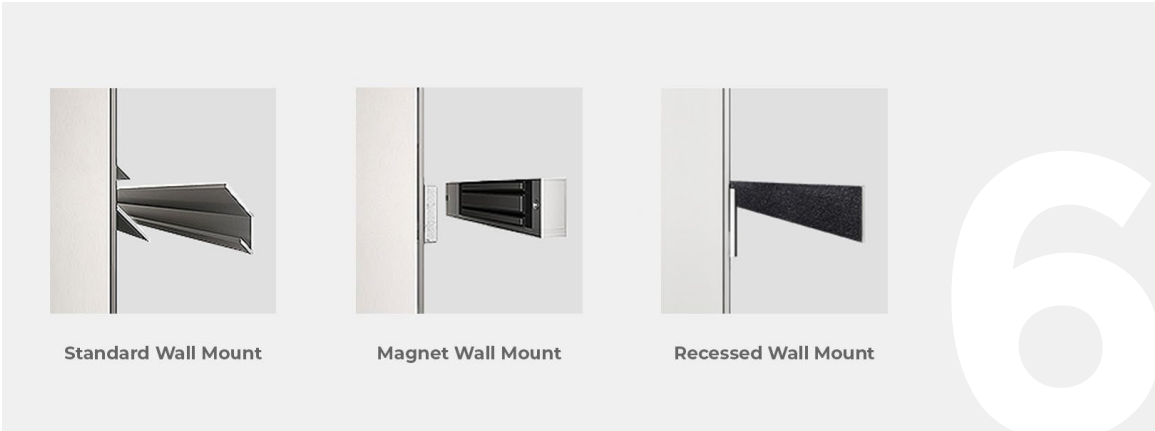

Locate TV Anywhere

MirrorVue's customization options allow you to take control. You can install your TV in any location you want and add multiple TVs in one mirror. The possibilities are endless.

Choose Mirror Glass Types

MirrorVue is versatile, it can be used for any purpose and any need whether it be for Commercial, Residential, or Hotel. MirrorVue's premium quality glass options are available in Silver Mirror, Advertising Mirror, Tinted Mirror, and Black Mirror.

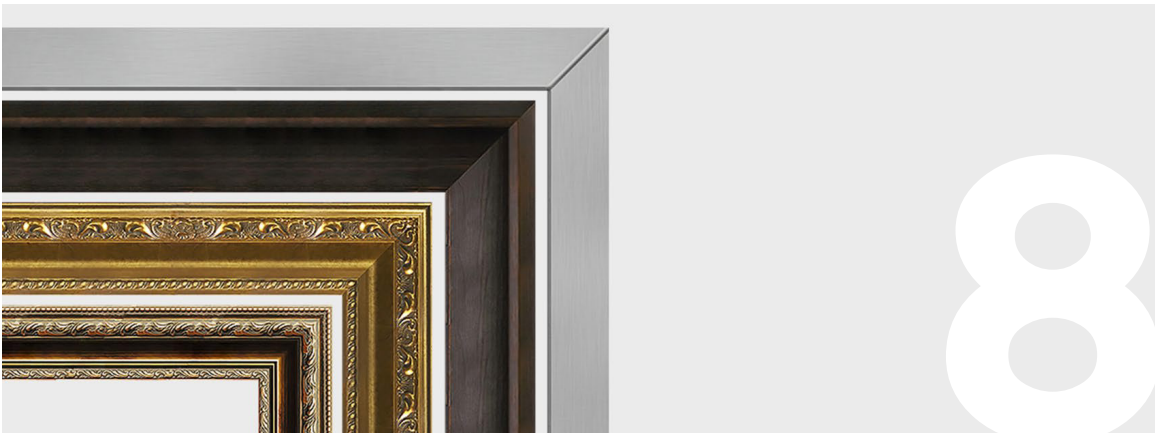

MirrorVue Mount Options

You don't have to worry about the mounting options, MirrorVue offers Standard Wall Mount, Magnet Wall Mount, and Recessed Wall Mount made easy to fit in different builds and space to suit your needs. Installing MirrorVue is not difficult, it can be done under 30 minutes.

Defogger

The best way to upgrade your mirror is to equip it with an optional defogger; keep it clean and clear from fog after enjoying a hot shower. It is available in different shapes and sizes.

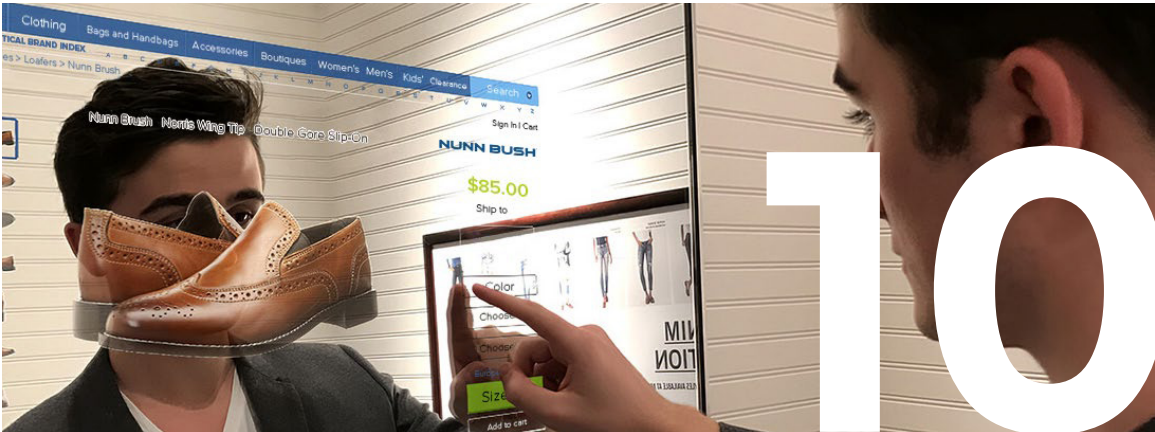

MirrorVue Frames

MirrorVue offers a wide selection of frames. The frames vary from different materials and styles such as Stainless Steel, Designer Frames, Gallery, Renaissance Style, and Vauci Leather Frames.

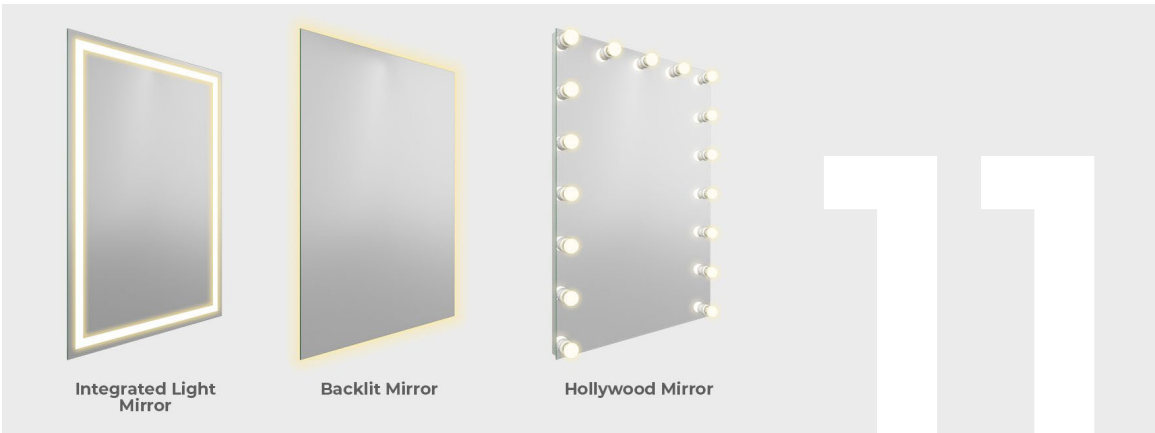

Android TV

MirrorVue has a 4K Ultra - integrated set top box compartment that allows you to store Android TV, Apple TV, and other set top boxes. Its system can be easily upgraded after few years.

Smart Touch

Controlling your mirror has become even easier. Every MirrorVue comes with the option to add a touchscreen system of the highest quality. Customers can browse store websites and even place orders. You can navigate through and catch up on recent news and social media and give the perfect presentation at work. As you can see, the possibilities are endless.

MirrorVue Light Options

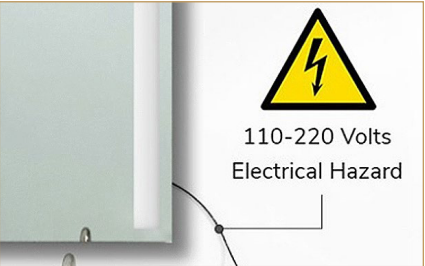

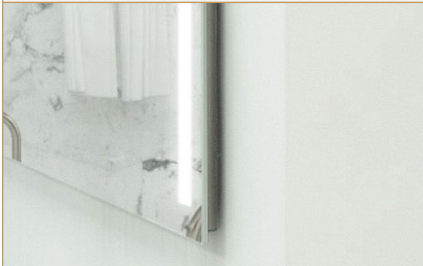

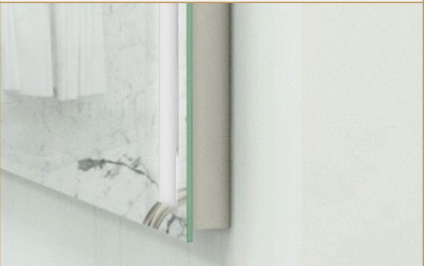

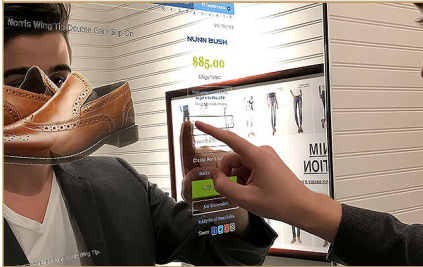

Personalize your MirrorVue by adding lighting options. You can choose from Integrated Light, Hollywood, and Backlight.

Cut Outs

We make custom cut outs in the mirror anywhere you like for a faucet or a light fixture. With our CNC computerized product process, we produce and cut the mirrors with extreme precision.

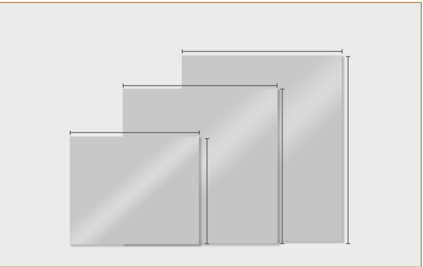

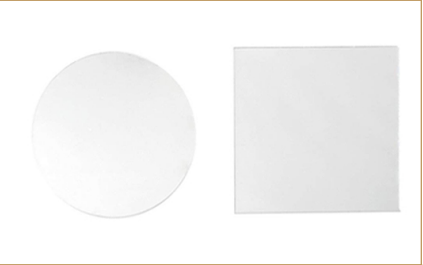

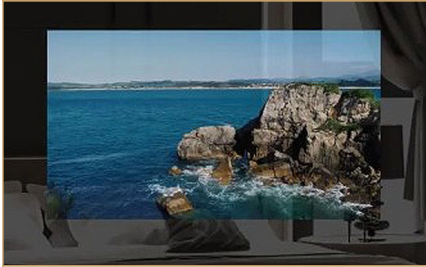

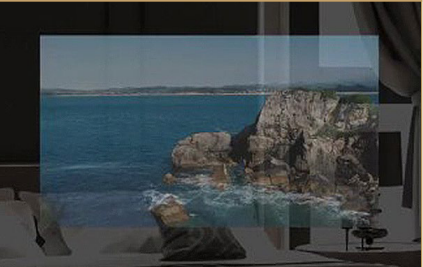

MirrorVue Mirror TV Comparison Table

MirrorVue Mirror TV		Other Mirrors
 <p>12 - 24 Volts Non-electrocuting</p>	12-24 Volts	 <p>110-220 Volts Electrical Hazard</p>
<p>Yes, 12 or 24 voltage, easy to install and safe to use anywhere.</p>		<p>Usually 110 or 220 volt.</p>
	Extra Thin	
<p>MirrorVue is the thinnest on the market. Being only 1.3" or 33mm thick, it reduces required space and is visually more appealing.</p>		<p>Often 1.5"/40mm or even 2"/50mm thick.</p>
	Touch Screen Available	
<p>Yes, available for all TV sizes.</p>		<p>No or limited to a few TV sizes only.</p>

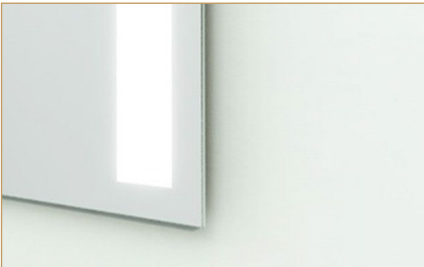

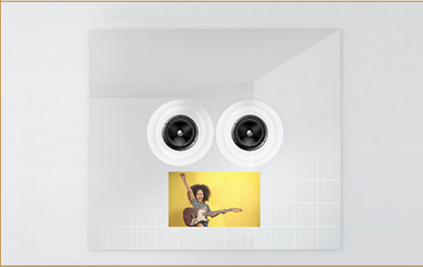

MirrorVue Mirror TV Comparison Table

MirrorVue Mirror TV		Other Mirrors
	Security Film	
All MirrorVue have a security film on the back that prevents dangerous, sharp mirror parts fall on the floor in case the mirror breaks. This also makes MirrorVue compliant to be installed in public areas and for professional use like in salon and hotels.		Easy to break no security Film.
	TV sizes 15.6" up to 100" 4K	
Yes, choose from a wide variety of TV sizes.		Limited options available.
	OLED Technology	
Enjoy even better mirror TV experience with OLED Technology, available in 55" and 65".		No, not available.

MirrorVue Mirror TV Comparison Table

MirrorVue Mirror TV		Other Mirrors
 <p>Yes</p>	Made to Measure	 <p>Limited options available.</p>
 <p>Yes, MirrorVue can be made in every shape.</p>	Make in any Shape	 <p>Limited options available.</p>
 <p>MirrorVue uses unique mirror glass that is silver, while the TV is very visible, while the TV completely disappears when off. Our more than 15 years experience in the Mirror TV industry shows with this unique glass that we are steps ahead with our technology.</p>	Real Mirror TV Glass	 <p>Usually a compromise between visibility of the TV a darker mirror, or that the TV does not completely vanish.</p>

MirrorVue Mirror TV Comparison Table

MirrorVue Mirror TV		Other Mirrors
	Rust Proof Mirror Glass	
Our mirrors are made with very high quality, corrosion and rust free mirror glass that shows a beautiful reflection. This makes a MirrorVue a worry-free investment you will enjoy for many years to come.		Easy to rust over time.
	Good Wall Mount	
MirrorVue have 2 long wall mount rails to secure a well mounted mirror. Similar lighted mirrors often only have a hang construction on the top which makes the mirror move easily.		Not sturdy.
	High-Quality Speakers	
Yes, speakers located on the edges of the mirror for optimum audio performance.		Limited, or not located on the edges of the mirror.
